

(Official News-sheet of the West of England Chess Union)

Greetings to all members at the start of the 1963-64 Season!  
 This issue is for club secretaries to display on notice boards, and gives red-hot the current grading lists for which many of you have been waiting and which have burned much midnight oil of J.E.Jones, the Union Grading Officer. Next, though, a personal note, which partly explains why the news-sheet has not appeared in recent months; Mr.A.G.H.Winterburn has undergone an operation and is at present in the Memorial Hospital, Okehampton. His friends will be glad he is making good progress. Meanwhile, news items to me, please. One thing more before we come to the gradings. If your club is not a subscriber it is easy to become one with 10s/6d, the use of the form on the last page and an appreciation of the work being done for you.

Issued by the Hon.General Secretary, F.S.Wayling, Sunny Croft, Ava, Mevagissey, Cornwall. (Tel.Mevagissey 2126).
