E D I T O R I A L

The Grading List is its own proof of a great amount of voluntary work that goes on throughout the year to make chess more interesting and enjoyable for all who play. There is a long chain down which information passes from clubs, leagues and county organisations to the Union Graders, who collate all the results they can obtain to make the list as accurate, comprehensive and meaningful as possible. Everyone concerned with arranging matches of any sort is asked to make sure that their results reach the appropriate grading official, so that the work they do can be made as effective as possible.

Readers will note from the Graders Report that Mr. W. A. Cordon has had to give up grading work. We hope that this is merely temporarily, and take the opportunity of this appropriate moment to thank him for the tremendous efforts he has made over a number of years to build Union grading into the effective service it is today.

B.C.F. INTER-COUNTY CHAMPIONSHIP FINAL

CONTINENTAL CHESS

At Biel in Switzerland a Congress was held which attracted support from several British players and in the main event, a nine round Swiss tournament Ostojic of Yugoslavia finished first with 7/9, Cafferty had the best British score with 6/9, and S.Rueben of Islington had 5/9. In the supporting challengers event F.W.Edge of Wimbledon came first with 7/9, Fischer of West Germany second with 6 $\frac{1}{2}$ /9 ahead of P.M.George of Wimbledon who also had 6 $\frac{1}{2}$ but was placed third on total opponents' score.

HAMBURG JUNIOR TOUR

A team of Hamburg schoolboys has been touring this country and met several county junior sides. Herts lost against them by 9 - 11, and Surrey defeated them by 10 $\frac{1}{2}$ - 9 $\frac{1}{2}$.

LENSBURY CHESS CLUB JUBILEE

An interesting Jubilee event is being staged by Lensbury Chess Club who celebrate fifty years of chess on Sunday 11th October with an Open Individual Lightning Tournament. This will be held at the Lensbury Sports Club, Broom Road, Teddington, and all lightning enthusiasts are invited to apply for details to the Hon.Secretary, Lensbury Chess Club, Shell Centre, London, S.E.1. Play will commence at 2.30 p.m. and last until 9.30 p.m. or thereabouts and refreshments will be

The S.C.C.U. Graders for the season, H. G. Felce, 8 Nork Gardens, Banstead, and W. A. Gordon, 24 Spruce Walk, Kempston, Bedford, wish to acknowledge the work of the numerous County and League Graders who have enabled us to make the list as complete as it is. We regret that Suffolk still chose not to supply internal results, and that the Hertfordshire results have not been received.

Next season, due to the resignation of Mr. Gordon for business reasons, Mr. Felce will be even more dependent on the prompt co-operation of those who supply information.

This year the supplementary list of players not quite satisfying the BCF requirement of 30 games in the last two seasons, at least 10 of which were in the last season, has been omitted, but these players have been included in the main list with names in small letters.

Players whose names are in capitals have met the qualifying requirement.

For 1970/71, a change in calculating methods will mean that games between players more than 40 points apart will be treated as though they were 40 points apart.

If anyone is still interested in Grades as opposed to Grading Number, may we say that Grade 1a is 241-248, and thereafter everything goes down in eight points per half group.

W. A. Gordon
H. G. Felce.
